Lincoln 250th Historical Scavenger Hunt!

Travel back to 1775 and celebrate Lincoln's history in the early days of the American Revolution by finding historic markers and sites. Enjoy!

Instructions

Welcome to the Lincoln 250th Historical Scavenger Hunt!

1. Below this you will find your clue to the first stop. When you've found the spot, scan the QR code for that location on the laminated sheet and post a selfie to prove you were there. You will then receive the clue to the next stop. *Please note that you only need to post one photo from each cemetery so by the end you will have posted 7 selfies in total.*
2. Please note that many of the historical locations you will be visiting are in our cemeteries. ***Please be respectful in the cemeteries. Please refrain from the following: leaning on monuments, partaking in monument rubbings, removing lichen, or making any physical contact with stones. Please do not remove anything from the cemetery. Dogs must be on a leash at all times. Enjoy the beauty and serenity surrounding you.***
3. When you've visited all 13 stops and posted your 7 selfies, email your name and address to selectmen@lincolntown.org to receive a Lincoln250 car magnet. The first 10 to complete the hunt will have the option of a $10 gift certificate to either The Twisted Tree or Something Special. Thank you for playing and learning with us!

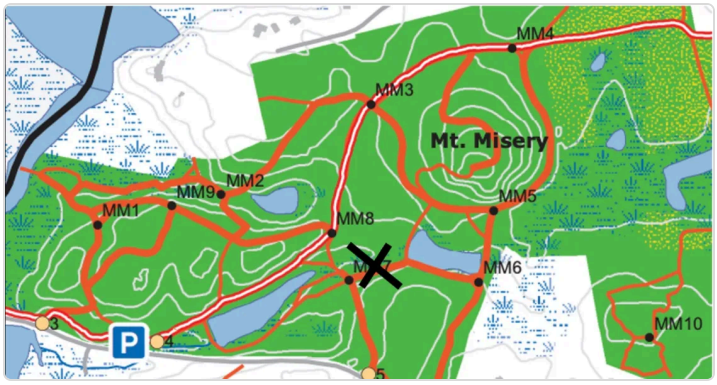
Section 3

Here's the hint to the first stop - Find the spot and post a photo so we can say we "saw" you!



Instructions on how to take and publish the selfie

- Point your camera at the QR for your location and click "padlet"
- The padlet will open for that location, hit the plus (+) sign at the bottom
- You will be taken to a page that says "subject" and at the bottom is a camera icon
- Tap the camera icon to take your selfie
- Tap "use photo" and it will upload. Then you can include the answer to the trivia question in the subject line
- Hit publish
